**WOOD ACQUITTED
IN DYNAMITE TRIAL**

Boston.—After deliberating over night the jury acquitted President William M. Wood, of the American Woolen company, of the charge of conspiracy to injure the textile strikers at Lawrence by "planting" dynamite. A disagreement in the case of Frederick E. Atteaux was reported. Dennis J. Collins, who turned state's evidence, was found guilty on two counts and not guilty on the other four counts of the indictment.

Immediately when the verdict was announced, Attorney Henry F. Hurlburt, counsel for Wood, asked the court to direct an investigation of the published statement that an attempt had been made to influence Morris Shuman, one of the jurors. Before the court made its charge, Shuman was questioned by Judge John C. Crosby, District Attorney Pelletier and counsel for the defense regarding a statement which he was said to have made recently to the district attorney.

SUBMIT STRICT 8-HOUR LAW

Portland Organization Would Limit Working Day for Women.

Salem, Or.—A copy of a proposed law regulating the number of hours women shall work, which it is desired to have initiated at the special election in November, provided for by the Day bill, was submitted to Secretary of State Olcott by Dr. Marie D. Equi, president of the Eight Hour league of Portland.

The proposed law is one of the most stringent in its provisions ever submitted to the secretary of state's office. Although the Day bill does not provide for the initiating of measures at the special election, it has been reported that W. S. U'Ren, of Oregon City, may try to compel Mr. Olcott to have initiative measures placed on the ballot.

**MANY INDICTED FOR
WAGE CONSPIRACY**

19 Mineworkers Officials Accused of Part in Restricting Coal Competition.

Charleston, W. Va.—President White and 18 other officials of the United Mine Workers of America, were indicted in the federal court here on a charge of violating the Sherman anti-trust law. It is alleged the defendants conspired with the coal operators of western Pennsylvania, Ohio, Indiana and Illinois to raise wages in the West Virginia coal fields so as to prevent its competition with the other four states in the western market.

The indictments charged that the 19 men affiliated with the United Mine-workers of America did in Kanawha county, West Virginia, and within the jurisdiction of the federal district court, engage in a combination and conspiracy unlawfully in restraint of trade and commerce in the several states; the offense is said to have started September 1, 1912, and continued since.

It is charged that the indicted men have been agents and members of "an unincorporated voluntary organization of individuals as a labor union known as the United Mineworkers of America, having many thousands of members, who conspired, by regulating wages, to control the price at which the coal mined in the state of West Virginia could compete with coal mined in Pennsylvania, Ohio, Indiana and Illinois."
